Gagan Rohilla

Analyst/Software Engineer

SUMMARY ----------------

My skillset makes me flexible for any technology. Most often I've seen me as team player as well as have performed best in individual capacity. As a former student of Delhi University and alumni of GGSIPU as master's degree holder and AWS certified cloud practitioner, I've ensured my technical abilities at its par.

KEY SKILLS ----------------

o Python
o SQL
o Team player
o HTML, CSS, JavaScript, Bootstrap
o AWS Lambda, AWS S3, AWS IAM, AWS Cognito, AWS Dynamo DB.
o AWS Certified Cloud Practitioner.
